

Michael W. Smith

The College recently received word that our classmate Michael W. Smith passed away on July 8, 2018. No cause of death was provided. Michael came to Dartmouth from Forest View High School in Rolling Meadows, Illinois, where he was valedictorian and active in student government. At Dartmouth, Michael majored in Economics and was a member of Phi Psi fraternity.

Details about Michael's life after graduating from Dartmouth are sparse, and internet sources provide little further in the way of detail. Michael had a love of animals, and his obituary notes that he was the proud "fur" father of Gracie, Jessie, and other animal companions. Michael asked that donations in his name be provided to Orphans of the Storm Animal Shelter, 2200 Riverwoods Rd, Deerfield, IL 60015.

At his passing, Michael left his spouse of over thirty- two years, Deborah (Lucas) Smith. Burial and interment were private.
